### **ROUTE 1: Colombo-Kurunegala-Dambulla-Anuradhapura**

The road surface is good all the way. This route takes you straight into Anuradhapura town. To avoid going through the town, turn right at the market junction and take the first turn left after the railway crossing. Proceed without taking any left or right turns passing the Open Prison Camp. You will come to a bridge and a Gas station on your left soon after. Continue until you come to Ariya Rice shop on your right. At this point, take a quick left and right turn on to the Puttalam road (avoiding the road to the right which goes to Isurumuniya). Proceed up to the Ceylon Oxygen Depot board (you will pass a temple on your right just before). Jaya Mawatha is to your right, next to the board. Go right down the lane and Waters Edge is at the end.

### **ROUTE 2: Colombo-Kurunegala-Padeniya-Tambuttegama-Anuradhapura**

The road work is now completed and the drive is excellent on this road. This route brings you closer to the Puttalam road junction, which is soon after the Anuradhapura board. Turn left here (on to A12) and proceed up to the Ceylon Oxygen board (you will pass a temple on your right just before). Jaya Mawatha is to your right, just next to the board. Go down the lane and Waters Edge will be at the end.

### **ROUTE 3: Colombo – Chilaw – Puttalam - Anuradhapura**

The Puttalam – Anuradhapura Road is fully carpeted. As you approach Anuradhapura, you will pass Palm Garden Village Hotel on your right and a large Army camp on your left. Turn right at the clock tower (near the Army camp) and pass a Petrol Station to your right, and a Crematorium, 71 km post and a bridge on your left. Turn left on to a gravel road immediately after the bridge. Waters edge bungalow is on the left, approximately 600 m from the turn-off (you will pass a small temple on your right a short distance before the bungalow).

Else, instead of turning left after the bridge, proceed another 500 m until you reach Jaya Mawatha on your left, immediately before the Ceylon Oxygen Depot and Anuradhapura signpost. Turn onto Jaya Mawatha and Waters Edge will be right ahead at the end of this lane.
